15 January 2020

April French Furnell

Independent wine specialists, 28°-50° have opened 28°-50° Wine Bar & Kitchen in Covent Garden, offering brasserie-inspired food and a thoughtfully curated wine selection spanning both old world and new world wines.

Located at 10 Upper St Martin's Lane and tucked in the heart of the theatreland district, the new 180-cover wine bar & kitchen is spearheading a new foodie hub, The Yards; the newly re-branded series of interconnecting courtyards that includes St Martin's Courtyard and Mercer Walk. The stylish and welcoming wine bar and kitchen is owned and operated by the privately-owned group, Riviera Restaurants and Luxury, whose founder Richard Green has personally designed the beautiful new venue which will house a dedicated champagne bar, plush table and bar seating. Guests will be impressed by a highly Instagrammable cork bottle wall, and black & white images of Riviera group's château and vineyards in France.

Diners will begin their journey in the main restaurant, with industrial elements of wine crates and steel girders that give a nod to its sister restaurant in Marylebone, softened by pastel pink and sky-blue velvet armchairs. For a more intimate dining experience, the dim lit Oak Room, Oyster Bar have a warm and luxurious feel, complete with wood panelling and elegant, wine-focused décor. The latest addition, the Wine Room is a private dining room fit for any celebration as well as corporate events and banquet receptions, seating up to 10 guests.
