28-50 Wine Workshop & Kitchen Launches their Summer Rose Menu

The Luxe List August 2020: Part Two – 28-50 Wine Workshop & Kitchen Launches their Summer Rose Menu

Ahhh that bottle of Rose looks soooooo inviting. It's practically begging for us to take a sip (and probably finish the bottle). Marylebone wine specialist 28-50 Wine Workshop & Kitchen have launched an irresistible summer rose menu pairing a bottle of Les Agasses Rose for two, with a selection of seasonal dishes for just £34.95. The mix of syrah and grenache grapes make it the perfect bottle to pair with truffle arancini and truffle mayo, goat's curd with watermelon and strawberry tartelette. We are salivating at the thought. There's also a magnum of Chateau de Berne Esprit Mediterranee 2019 – perfect for a long lazy afternoon on the 28-50 terrace.
