28-50 South Kensington

[@2850southken](#) is delighted to share their love for French and modern European cuisine to South Kensington.

With simple, seasonal dishes and an award-winning wine 🍷 collection, this is the perfect spot for lunch, dinner or even a sneaky glass of bubbly. 🥂

[@georgielilybb](#) recently ventured down to sample their bar bites and was blown away with the delicious Truffle 🍄 Arancini and Artichoke Tempura. 😊

And, if you're a lover of fine wine and great food (which you are! 😊), then you'll also be happy to know they have a year-round programme of tastings, workshops and themed dinners that are not to be missed! 🥰
