**brunchinpairs** A touch of pure class...

There are a couple of restaurants that I've visited over the years which make a mark like no other. The stand outs. The ones to remember again and again ... @2850southken has absolutey earnt a spot on that list for me! 🥰🥰🥰

My girlie @birkbites took me along as her guest to this STUNNING restaurant in South Kensington where we ate INCREDIBLE food, saw some celebs and even spotted a £4,000,000 car (only one of its kind in the uk I might add - a car with 4 wheels if you ask me, but it caused quite a stir! 🤪👉)
