10 INCREDIBLY ROMANTIC BARS IN SW LONDON AND SURREY

VALENTINE'S DAY IS COMING, AND IT'S COMING FAST! HATTY WILLMOTH REVEALS LONDON AND SURREY'S MOST GORGEOUS ROMANTIC BARS FOR A PERFECT DATE NIGHT...

TOP PICTURE: MR FOX, CROYDON

28°-50°, SOUTH KENSINGTON, SW3 3AD

2 Next up is the pretty-in-pink **28°-50°** wine workshop and kitchen in South Kensington, a relatively small venue oozing with class. This place has great service. In-house expert sommeliers will help you navigate an extensive wine list which they say ranges from the "affordable and quaffable" to the "high-end and even more quaffable", but might be more accurately described as various shades of "high-end and extremely quaffable". If you and your beau are after something extra special, peruse their unique 'Collectors' List' of fine wines from several private collections and try unusual and mature grapes rarely seen in London restaurants. Pair your vin with elegant French and modern European cuisine from Executive Chef Julien Baris's carefully curated menu of light bites, charcuterie and substantial plates. Enjoy all this downstairs to an incessantly cool soundtrack, often performed by live DJs, or head upstairs for a little more hush.
