South Kensington's [28°-50° Wine Workshop & Kitchen](#) is running a special Bastille Day menu from **July 11-17** (so you can actually enjoy it already!). Dishes include classic French options such as the beloved French Onion Soup, Moules Marinière, and a Bavette Steak, all rounded out with a selection of French cheeses to finish. The in-house sommeliers have also worked carefully to find the best wine pairings for each course. It's a delightful taste of France in London's own 'Little Paris'.
