Pink Sea • A Purple Summer Cocktail

Hailing from the sunny shores of Ibiza, the Pink Sea cocktail is the freshest new drink from mastermind Lucy Donnelly. Lucy works as Villa Manager at [Purple Summer's Ibizan villa - Can Alma](#), a stunning secluded property in the centre of the island, surrounded by pine trees and olive groves. She likes to ensure that her guests always feel catered for and what better than way to spoil them than with a cocktail in hand? The Pink Sea cocktail tastes like a daiquiri and will bring the summer vibes all night long!

Alongside outstanding cocktails, guests can expect exquisite food from the in house private chef. A concierge is always on hand to help and provides a seamless service when arranging activities for guests so that they can make the most of what summer has to offer on the island. Think hiking, water sports and cave yoga, and if guests would rather stay 'at home', then the concierge can arrange spa treatments from the comfort of the villa.
