

## Best Jazz Clubs in London

### 28° -50° by Night

[Marylebone](#)

Tucked away in Marylebone, next to 28°-50°'s stellar restaurant offering, is their very own jazz club: [28°-50° by Night](#). And it's every bit as cool and intimate as you would expect – oozing fun 1920s vibes and an underground New Orleans atmosphere.

Serving up all of the excellent wine and food you can find next door at 28°-50°, with the addition of live jazz performances, this is one of our favourite London jazz clubs. From Tuesday to Saturday, 8pm until 2am, expect your ears to be caressed with jazz, soul, and blues from the capital's top artists.

Whilst the performances very much take centre stage, the food is equally as wonderful.

In fact, the a la carte menu is served until midnight so you can enjoy light bites or some heartier options (we'll take the seafood platter, please) until the early hours. And of course, the friendly sommeliers are always on hand to help you find the perfect bottle to pair with your meal.

28°-50° by Night might be a newbie on the London jazz club scene, but they've already established themselves as one of the top spots for live music and late-night dining in the capital.
