## In harmony

Luxury chalet operator, Purple Ski, has unveiled a spectacular new chalet for the new ski season. Chalet Harmony, located in Méribel, sleeps up to 15 people in seven bedrooms across four storeys. Set in a prime position in the resort's Duo du Pont area, it features an elegant master suite with its own floor, six en-suite bedrooms and a children's bunk area. The chalet's first floor is entirely dedicated to post-ski relaxation and entertainment with a cinema area, while a wellness area features a hot tub, sauna, steam room, fitness room and large indoor swimming pool. Further facilities include a billiards table and wine cellar while guests have access to a full team of staff, daily housekeeping, an in-chalet ski and boot fitting service and private chauffeured minibus. Available from December; from €41,995 per week.
