PARACLIDING IN MÉRIBEL AT PURPLE SKI'S NEW CHALET HARMONY

Mountain-loving daredevils will delight in the opportunity to paraglide over the French Alps during a stay at Chalet Harmony, Purple Ski's newest five-star chalet. A sport of flight that allows guests to explore the snow-drenched landscape from the air, guests will take off on skis for a bucket list flight, soaking up an incredible bird's eye view of the pretty resort of Méribel as they go. The experience will be organized from start to finish by Purple's Ski's expert concierge and run by trained glider pros, with the opportunity to tailor the experience to the individual's ability and desired vantage point.

Enjoying a privileged position in Méribel's central Duo du Pont area, the opulent new four-story Chalet Harmony from Purple Ski presents a rare opportunity to combine luxury and complete privacy with proximity to the Alpine resort's charming center, with its bustling shops, bars and restaurants as well as the main ski lift area.

Sleeping up to 15 in an elegant master suite with its own floor and six further en-suite bedrooms, including one with an additional children's bunk area, the chalet is the ideal choice for families and groups of friends alike. The chalet's entire first floor is devoted to post-ski relaxation and entertainment, boasting an impressive cinema room with tiered seating, perfect for the whole family to escape to after a tiring day on the slopes.

Next door is the beautifully appointed wellness area, where one can warm up in the hot tub, ease sore limbs in the sauna or steam room, work out in the fitness room or simply relax by the large indoor swimming pool. Chalet Harmony's views of the Méribel village and mountains from the hillside allow guests to truly relax and get away from it all.
