28° – 50°, South Kensington

I'm a dog-lover, so when I was welcomed to the latest 28° – 50° by the wonderful Golden Retriever Molly, I just knew I was in for a treat. The new opening sits on Draycott Avenue in a great spot, perfect if you've been shopping in the area. Delicious plates such as truffle arancini and salmon ceviche are served and washed down by fabulous wines as recommended by their very knowledgeable sommelier.
