Admin1 / July 14, 2023

Luxury villa specialist Purple Summer is delighted to unveil the newest addition to its portfolio, [Villa Can Totxa, Mallorca](#). The breath-taking Pollença residence, which sleeps up to eight in four en-suite bedrooms, is now available to book.

The ideal choice for groups of friends and multi-generational families alike, the villa comes complete with Purple Summer's signature private-chef gastronomic experience and a concierge who can arrange everything from childcare and spa treatments to hot air balloon rides and in-villa cookery classes.

The Villa

Nestled within a lush hillside between the characterful cobbled Pollença old town and the elegant Port de Pollença marina, Villa Can Totxa is a traditional finca-style property with all the modern luxuries and amenities one can expect of a Purple Summer escape.

The sprawling villa includes a 16m swimming pool, an all-weather tennis court, indoor and outdoor dining spaces, and a fully-equipped playroom for those travelling with little ones. Pollença's thriving restaurant, nightlife, and shopping scene is just moments away, while the surrounding countryside offers an abundance of both relaxing and exhilarating activities for all ages.

With a classic farmhouse exterior combined with a modern interior, the villa is characterised by spacious open plan layouts, neutral décor and quirky artworks. Each of the four generously proportioned bedrooms has its own bathroom and stunning views of the gardens and surrounding countryside.

Service and Activities

As with all Purple Summer properties, guests of Villa Can Totxa have the option to book flexible or full service with a minimum of one meal per day – lunch or dinner – prepared by their very own private chef. Guests will have access to delicious breakfasts, daily housekeeping and a full team of staff, as well as a dedicated concierge service to cater to their every wish – from organising private airport transfers to professional childcare, spa treatments, restaurant reservations and unique experiences which make a holiday extra special.

Whether guests prefer to lounge by the pool or explore the local area, there's no shortage of natural splendour in this highly sought-after region, flanked by the rugged Tramuntana mountain range and the dramatic Mallorcan coastline. Local activities on offer include a range of luxurious catered yacht and boat trips, guided e-bike tours, hiking tours of the Tramuntana mountains and – for the more adventurous traveller – hot air balloon rides over the awe-inspiring local landscape.

Foodies will be in their element with the option to visit local vineyards for wine tasting and nibbles, while in-villa cookery classes provide a taste of the local cuisine. Outstanding food and wine are at the heart of every stay, with exquisitely prepared meals with menus tailored to dietary preferences by the private chef. Guests can delight in BBQ feasts featuring grilled king prawns with garlic, piri-piri chicken and grilled Mediterranean vegetables, sharing-style lunch dishes such as pear prosciutto goats' cheese pizza and spiced couscous salad, and indulgent desserts including gin and tonic cheesecake.
