Purple Ski has revealed the latest addition to its portfolio: [Chalet Harmony](#) in Méribel, France. The new four-story property sleeps up to 15 people in seven bedrooms, and will

be available for stays from December 2023.

Located in Méribel's central Duo du Pont area, the property offers easy access to the Alpine ski resort's shops, bars, restaurants and the main ski lift area. Comprising a primary suite with its own floor and six en-suite bedrooms, including one with a children's bunk area, the chalet is well-suited for families and groups of friends alike. The chalet's first floor is dedicated to post-ski relaxation and entertainment, offering a cinema room with tiered seating. Next door is the wellness area, which houses a hot tub, sauna and steam room, fitness room and large indoor pool.

Upstairs, the living area provides a setting for evening champagne and canapés, while the Purple Ski chef works in the nearby open kitchen. The room also has a log fire, dining area, wine cellar, and games area with a billiards table and a minibar. The floor is flanked by terraces, with a large outdoor dining table.
